# Card Applications Received by Year

## Data Notes:

- <sup>1</sup> Participant counts are based on unique combinations of person, role (patient, caregiver, grower) and mailing address county. If one person is the caregiver for three patients and has a mailing county of Multnomah on all three patient applications, he or she would be counted once as a caregiver in Multnomah County. If one person is a caregiver for three patients and has Multnomah as a mailing address on one patient application and Clackamas on the other two patient applications, he or she would be counted once as a caregiver in Multnomah County, and once as a caregiver in Clackamas County.  
Grow site address counts are based on unique addresses (street address and county). If one address is designated as the grow site for three patients, it will be counted once.  
If a participant or grow site does not have a county designated, it will not be counted.
- <sup>2</sup> Conditions are not mutually exclusive; one patient may report one or more conditions. Used Patients by Age Range total to obtain percentage.
- <sup>3</sup> Patient count obtained by multiplying the number of patients by the number of caregivers, growers or grow site addresses, as applicable, and summing up the total. Used Patient by Age Range total to obtain patients without caregivers or growers.
- <sup>4</sup> Count may contain duplicate grow site addresses. OMMP Grow site addresses were migrated to a new database (OMMG) in 02/2016. An initial deduplication of addresses was deployed in 10/2016 which consolidated exact duplicate addresses and patient counts.
- <sup>5</sup> Count may contain duplicate patients if a patient has both active cards and a pending renewal application.
- <sup>6</sup> OMMP application fee types and current amounts are as follows:
- “No Reduced Fee”: No reduced fee proof is submitted with the application. Fee is **\$200**.
  - “SNAP”: Acceptable Oregon Supplemental Nutrition Assistance Program proof is submitted with the application. Fee is **\$60**.
  - “OHP”: Acceptable Oregon Health Plan proof is submitted with the application. Fee is **\$50**.
  - “SSI”: Acceptable Supplemental Security Income proof is submitted with the application. Fee is **\$20**.
  - “VET”: Proof of having served in the US armed forces is submitted with the application. Fee is **\$20**.
- <sup>7</sup> Shows an annual increase/decrease from the prior year time frame for all participant-types.
- <sup>8</sup> Compiled 10/11/2017 from:  
<http://www.oregon.gov/oha/PH/DiseasesConditions/ChronicDisease/MedicalMarijuanaProgram/Pages/dispensary-directory.aspx>
- <sup>9</sup> Count includes all applications received with payment. Not all received applications are approved.
- <sup>10</sup> Compiled 10/11/2017 from:
