Data Notes:

- ¹ Participant counts are based on unique combinations of person, role (patient, caregiver, grower) and mailing address county. If one person is the caregiver for three patients and has a mailing county of Multnomah on all three patient applications, he or she would be counted once as a caregiver in Multnomah County. If one person is a caregiver for three patients and has Multnomah as a mailing address on one patient application and Clackamas on the other two patient applications, he or she would be counted once as a caregiver in Multnomah County, and once as a caregiver in Clackamas County. Data source changed beginning in 04/2018. Grow site address counts are based on unique addresses. If one address is designated as the grow site for three patients, it will be counted once.
- ² Conditions are not mutually exclusive; one patient may report one or more conditions.
- ³ Patient count obtained by multiplying the number of patients by the number of caregivers, growers or grow site addresses, as applicable, and summing up the total.
- ⁴ Count may contain duplicate grow site addresses. OMMP Grow site addresses were migrated to a new database (OMMG) in 02/2016. An initial deduplication of addresses was deployed in 10/2016 which consolidated exact duplicate addresses and patient counts.
- ⁵ Renewing patients are not required to submit medical documentation if they are a US service disabled veteran who has been assigned a total and permanent disability rating for compensation that rates the veteran as unable to secure or follow a substantially gainful occupation as a result of service connected disability or has a USVA total disability rating of 100% and received an honorable discharge. See ORS 475B.797(11).
- ⁶ Count may contain duplicate patients if a patient has both active cards and a pending renewal application.
- ⁷ OMMP application fee types and current amounts are as follows:
- “No Reduced Fee”: No reduced fee proof is submitted with the application. Fee is **\$200**.
 - “SNAP”: Acceptable Oregon Supplemental Nutrition Assistance Program proof is submitted with the application. Fee is **\$60**.
 - “OHP”: Acceptable Oregon Health Plan proof is submitted with the application. Fee is **\$50**.
 - “SSI”: Acceptable Supplemental Security Income proof is submitted with the application. Fee is **\$20**.
 - “VET”: Proof of having served in the US armed forces is submitted with the application. Fee is **\$20**.
- Percentages from 2012 through 2015 rounded beginning with the 01/2018 Snapshot.
- ⁸ Shows an annual increase/decrease from the prior year time frame for all participant-types.
- ⁹ Compiled 07/03/18 from:
<http://www.oregon.gov/oha/PH/DiseasesConditions/ChronicDisease/MedicalMarijuanaProgram/Pages/dispensary-directory.aspx>
- ¹⁰ Count includes all applications received with payment. Not all received applications are approved.
