## OMMP Plant Limits

Who/What	Amount	Additional Requirements/Information
5. PRMG at grow site registered before 1/1/15 & outside city limits or inside city limits but not zoned residential (grandfathered grow site)	No more than: <ul style="list-style-type: none"> <li>• 96 mature plants</li> <li>• 192 immature plants 24 inches or more in height</li> <li>• 576 immature plants less than 24 inches in height</li> </ul>	<ul style="list-style-type: none"> <li>• In order for a grow site to be considered “grandfathered” it must meet certain criteria and be approved by OHA.</li> <li>• A household at a grow site in this category is permitted to have 4 personal plants in addition to the medical marijuana plants.</li> </ul>

**NOTES:**

- Plant limits for immature plants that are less than 24 inches in height are effective October 1, 2018.
- Senate Bill 1544, section 6, which passed in the 2018 legislative session, required OHA to set limits on plants that are less than 24 inches in height.
- If the registration of a PRMG designated at a grow site that was grandfathered under ORS 475B.831(3)(b) or (4)(b) is suspended or revoked and they re-register, subsequent plant limits at an address within city limits and zoned residential will be: no more than 12 mature plants, no more than 24 immature plants 24 inches or more in height and no more than 72 immature plants less than 24 inches in height.
- If the registration of a PRMG designated at a grow site that was grandfathered under ORS 475B.831(3)(b) or (4)(b) is suspended or revoked and they re-register, subsequent plant limits at an address outside city limits or not zoned residential will be: no more than 48 mature plants, no more than 96 immature plants 24 inches or more in height and no more than 288 immature plants less than 24 inches in height.
