OHA Resources for Veterinarians

Step 1: Google “OHA veterinarian module”

Step 2: Find the Module you want to Take

- One Health Module (1.0 CE)
- Dairy Cattle Module (1.0 CE)
- Equine Module (0.5 CE)

Dairy Cattle Module

The Dairy Cattle Module is eligible for **1.0 CE.**

This module includes three submodules which address:

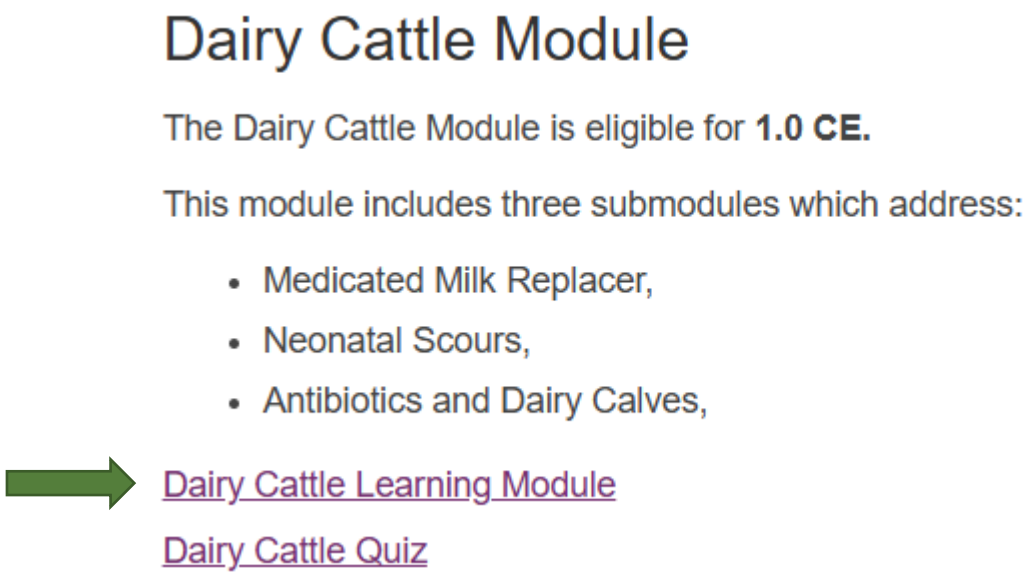

- Medicated Milk Replacer,
- Neonatal Scours,
- Antibiotics and Dairy Calves,

Dairy Cattle Learning Module

Dairy Cattle Quiz

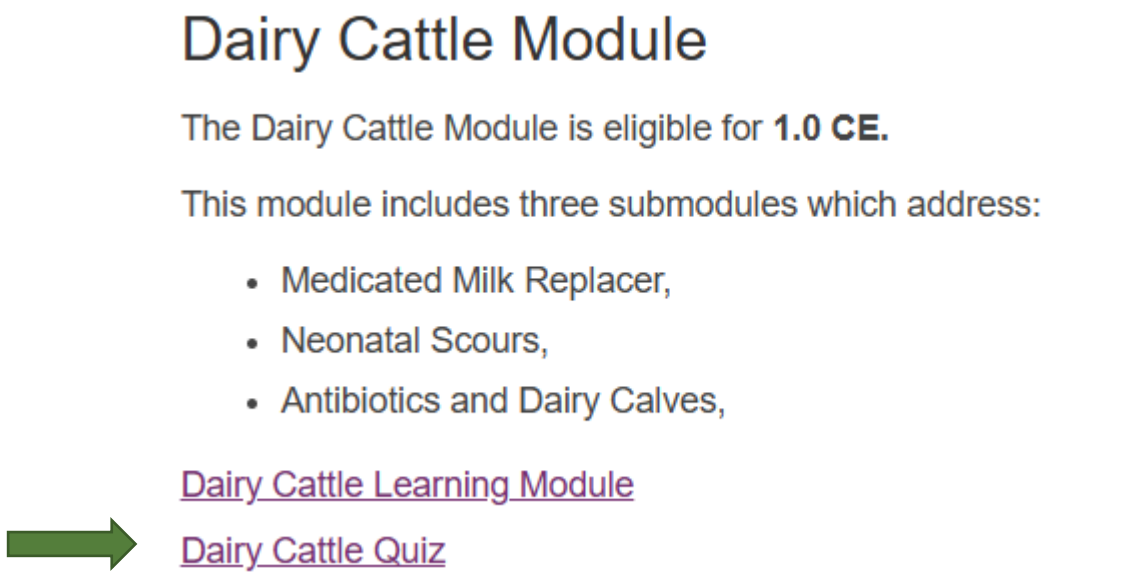

Step 3: Click on the “One Health Learning Module” Link

- Review all the information on the UMN page

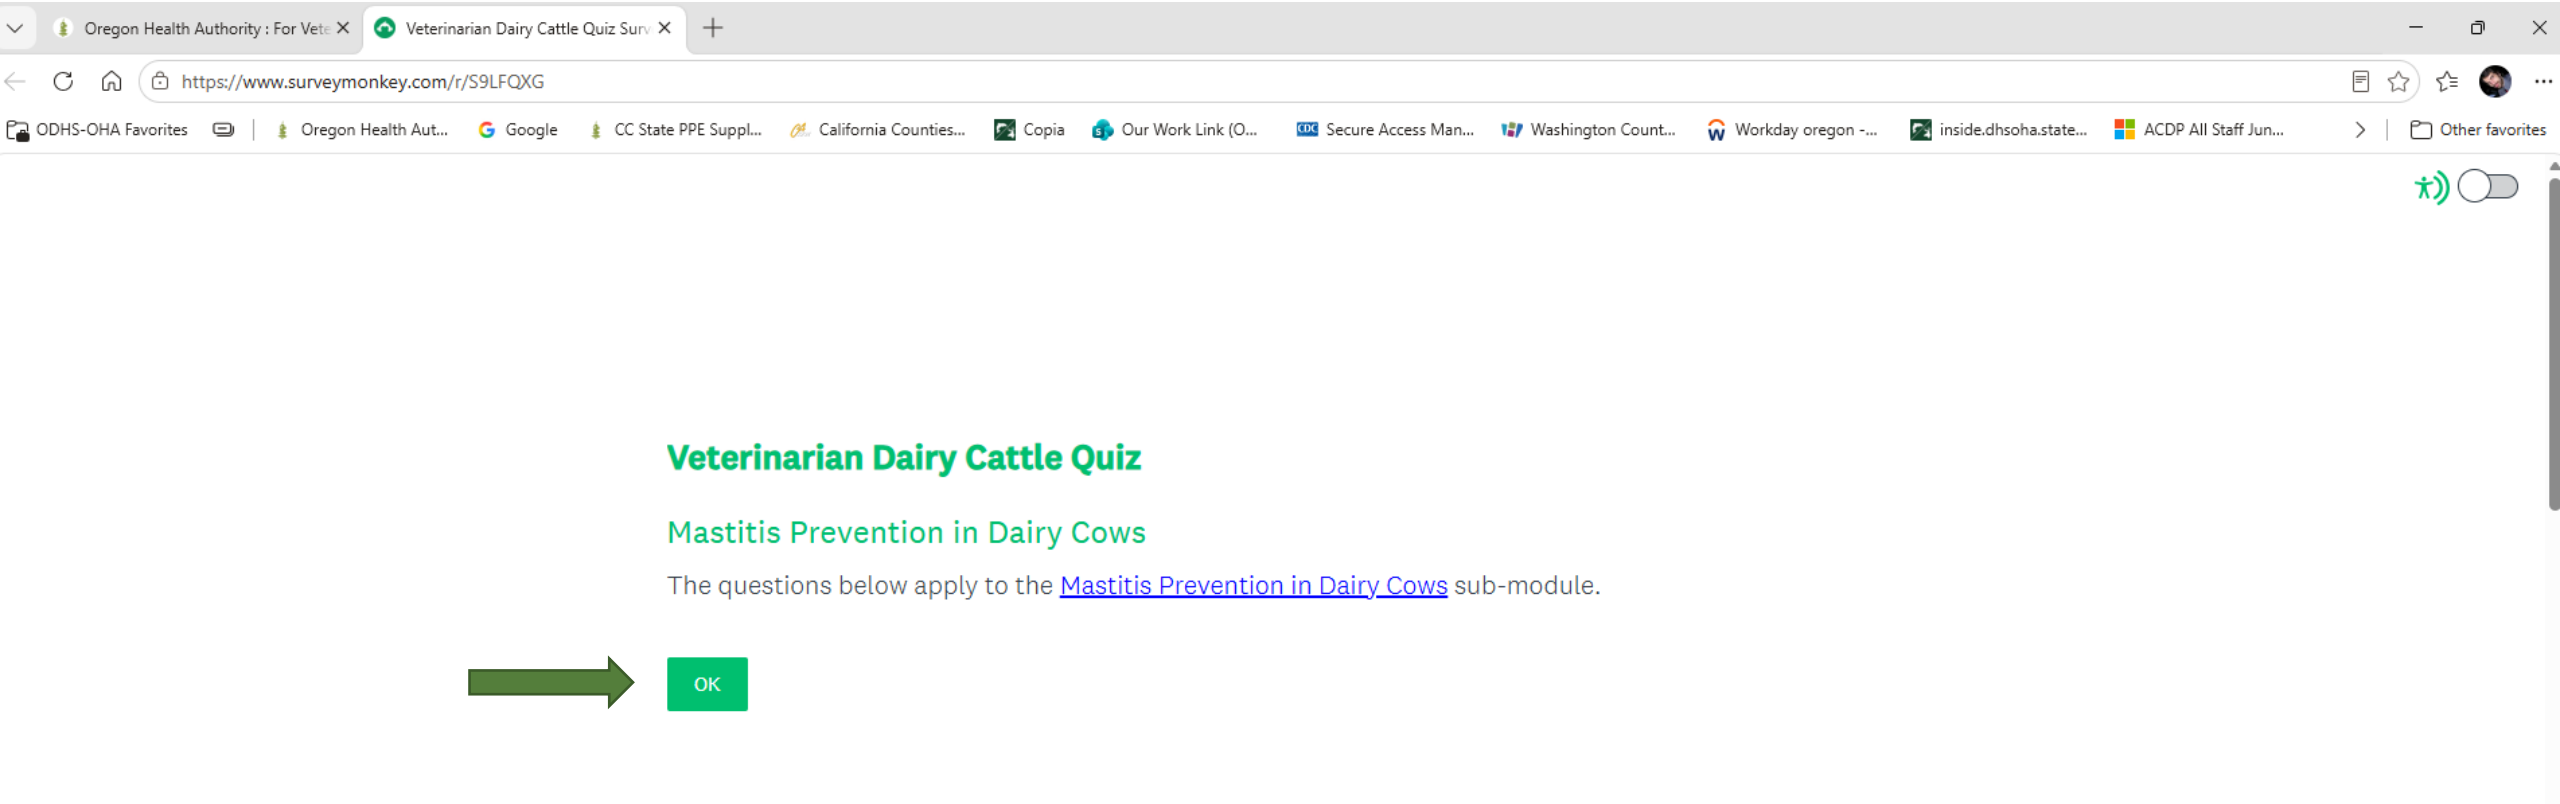

Step 4: Test your Knowledge back on the OHA Page

- Once you're ready for your quiz, return to the OHA page and scroll down to the quiz at the bottom of each module.
- Quizzes will open a survey monkey page on a separate tab.

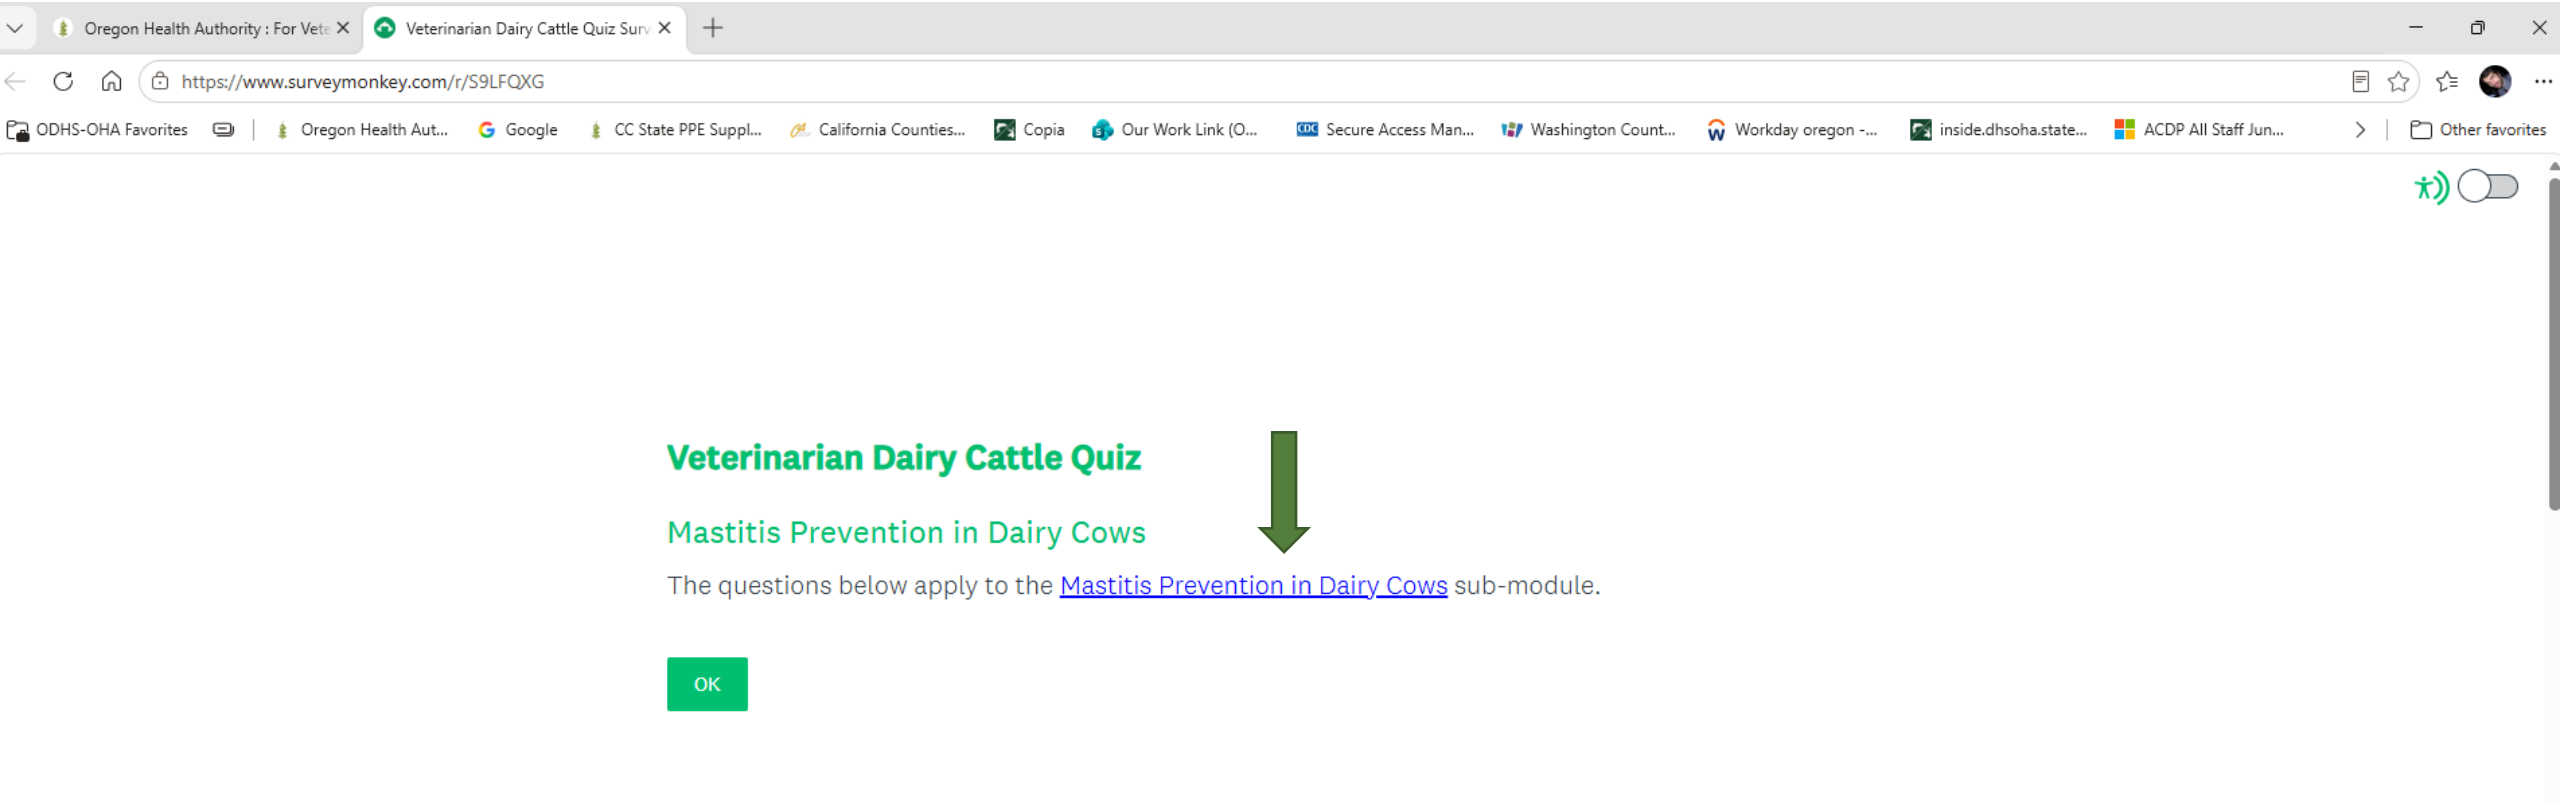

Step 5: Complete the Quiz in Survey Monkey

- Be sure to include your email address and name in the first questions. That's how we'll send you your results.
- When you're finished with a question or prompt, hit the "OK" button to move to the next one.

Step 5b: Stuck on a Question?

- Some of our quizzes have a direct links to the sub-modules related directly to the questions at hand. Feel welcome to click on those hyperlinks and a separate tab will open so you can search for the correct information before locking in your answer.

Step 6: Get Certificate or Re-Take the Quiz

- A score of 70% or higher is a passing grade and will receive a certificate via email.
- OHA staff check on quizzes approximately 1-2 a week.
- If your score is less than 70%, then you will receive instructions on how to re-take the quiz.
