

# SERVICE NEEDS OF PEOPLE LIVING WITH HIV

Oregon's Medical Monitoring Project (MMP) asks medical and social service needs across 13 service categories:

.....

Medical – such as HIV case management, help with medications, dental care, mental health, and substance use counseling

.....

Social Services – such as transportation, food assistance, and housing

.....

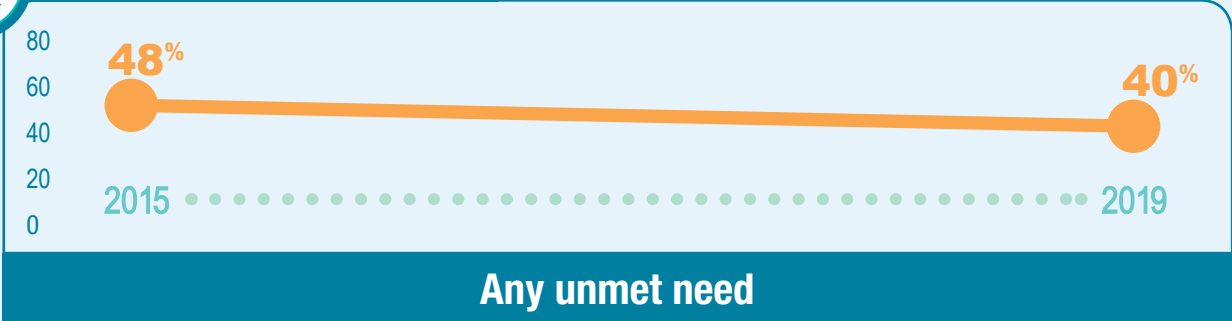

**44%** have an unmet need

*of those ...*

- 76%** report at least one unmet medical need
- 56%** report at least one unmet social service need

## Trends in unmet need

**21%** have unmet dental care need

**8%** have unmet food assistance need

**7%** have unmet housing services need
