

Weekly COVID-19 Informational Sessions for Oregon Health Care Providers

Thank you for your leadership and partnership in helping to slow the spread and address the health impacts of COVID-19 in Oregon. With this rapidly changing situation, we want to get information out to healthcare providers across the state as quickly and clearly as possible. To provide a consistent venue for COVID-19 information sharing, OHA's Chief Medical Officer, Dana Hargunani, M.D., will host regular information sessions for Oregon health care providers.
