

**Program Element 50
Accomplishments**

Thank you to all Local Public Health Authorities and Oregon Department of Agriculture drinking water partners. We see your work, you're doing great!

- *Water quality alert response*

Drinking Water Program Element 50

- <https://www.oregon.gov/oha/PH/HEALTHYENVIRONMENT/DRINKINGWATER/PARTNERS/Documents/pe-50-revised.pdf>
- This document can be a helpful review when learning the process, definitions, and prioritizing work in Regulating public drinking water systems.
- The Triennial review process is based on this document, which is every three years and we go over any specific questions concerns and training gaps.
