

Met en mei tongeni fori me murin ewe Salem Drinking Advisory epwe wes

July 3, 2018

Ngang mi need ai upwe akusano ei kewe nenien kokusun konik?

Esapw mwo iei atun kokusun konik. Ei fonuwen Salem ese mwo kuna ei monun poison non konik non ukukun 12 ran. Ren iei meni ekkewe nimengawan non konik a fen kokusuno.

Pwata kokusunon konik a mwmumwuta ach sipwe akusano nupwen ewe ewin unun konik a fen tawe, nge pwata iei?

Nupwen ewe ewin aureur a fen taweno, ewe aukukun cyanotoxins ika poison non konik mi watte seni kaukun nimochun non chok ukukun fitu ran me mwan. Usun nimengawan non konik ese kokusuno seni ewe nenien unun konik nupwen ewe fansoun. Ra pwan asinei ngeni aramas pun repwe akusu ark ewe konik seni paip ar repwe sinei nimengawan ekwe konik e kusu seni ekkewe nenien konik.

Ngang mi pwan need ai upwe nimeti ekkewe pisekin konik-awewe ren rfrichireitor, nenien forun ais- me nenien sosenun konik?

Ren rfrichireitor nenien konik me nenien forum ais-ra pachengeni om we nenien konik- me ekkoch nenien sosenun konik, katon noum we taropwen equipment ren nimenimen om kewe pisek. Kokusun konik ese need. ekkewe ais mi for non ekkewe ru week a wesino resapw tongeni eaea ngeni aramas.

Asinesin:ekewe chon awora mongo resapw fori ekis mettoch ren ar kewe mwesinan ais. Ais mei for non ekkewe ru week a wesino resapw tongeni eaea ngeni aramas. Kapas eis ren ekkewe chon awora mongo ra pwan tongeni apochokuna ar repwe kokori Marion County Health me Human Services (MCHHS) Environmental Health (EH) seni Sarinfan tori Animu, kunok 8:00 nesosor tori kunok 5:00 nekunion. MCHHS-EH epwe kesip on July 4th ren ewe holiday.
