Legal Notice

Legal notice of public review and comment period concerning proposed changes to the combined Project Priority List (PPL) attached below for Oregon's Drinking Water State Revolving Fund (DWSRF) for 2026. This portion of the combined PPL is specific to our Drinking Water Source Protection (DWSP) Program.

One of Oregon Health Authority (OHA) Drinking Water Services (DWS) responsibilities as a state agency managing the DWSRF program as set forth under Section 1452 (40 CFR 35.555 (b)) of the amended 1996 Safe Drinking Water Act (SDWA) is to provide the public the opportunity to comment on changes to the Intended Use Plan (IUP) as a part of the grant application process to the U.S. Environmental Protection Agency (EPA). The PPL is important to how the DWSRF program implements the IUP. DWSP projects are related to the protection of drinking water sources. Projects are rated (i.e., scored) to determine ranking and placement on the PPL. Funding for ready-to-proceed DWSP projects are in the form of three grant types a Traditional grant up to \$70,000 per Applicant and/or a loan up to \$100,000 per project, a Land Acquisition Planning grant up to \$70,000 per Applicant, and a Regional Source Water Collaborative grant of up to \$175,000 per Applicant. For more information, please contact Tom Pattee, DWSP Program Coordinator, at tom.pattee@oha.oregon.gov or (541) 684-2440.

The public review and comment period for proposed changes to the PPL will be from Wednesday, June 17 through Friday, June 26, 2026. If you would like to make a comment, please email your comments to dws.srf@odhsoha.oregon.gov by no later than 5pm on Friday, June 26, 2026 to be considered.
