### Legal Notice

Legal notice of public review and comment period concerning proposed changes to the combined Project Priority List (PPL) attached below for Oregon's Drinking Water State Revolving Fund (DWSRF) for the end of Quarter 3, state fiscal year 2021. This portion of the combined PPL is specific to the Sustainable Infrastructure Planning Projects (SIPP) program.

One of Oregon Health Authority (OHA) Drinking Water Services (DWS) responsibilities as a state agency managing the DWSRF program as set forth under Section 1452 (40 CFR 35.555 (b)) of the amended 1996 Safe Drinking Water Act (SDWA) is to provide the public the opportunity to comment on changes to the Intended Use Plan (IUP) as a part of the grant application process to the U.S. Environmental Protection Agency (EPA). The PPL is important to how the DWSRF program implements the IUP. SIPP projects are related to stand-alone drinking water system planning activities that promote sustainable water infrastructure. Engineering and construction activities are ineligible. The projects are rated (i.e., scored) to determine ranking and placement on the PPL. Funding for ready-to-proceed eligible projects will be in the form of 100% forgivable loan up to \$20,000.

The public review and comment period for proposed changes to the PPL will be from Thursday, May 6 through Sunday, May 16, 2021. If you would like to make a comment, please email me your comments by no later than 5pm on Sunday, May 16<sup>th</sup> to be considered. If you have questions, you may also email or call me at (503) 956-8287.

Thank you!

*Adam DeSemple*

					Totals	\$ 91,000	\$ 91,000	

Seismic SIPP Funding	
Total Annual Funding Available	\$ 220,000
Total Eligible Funds Committed	\$ 91,000
Total Remaining Funds Available	\$ 129,000

\*\*\*NOTES: Shaded area is what OHA recommends for funding. Eligible projects below the shaded area may be funded if projects in the shaded area are not ready-to-proceed; therefore Business Oregon may utilize the "Bypass Rule" if the lower-tiered projects are ready to move forward. In addition, when projects end up with the same ratings, they are placed on the PPL on a first-come, first-serve basis.

- Projects in the "Wait or reapply in '22" section of the PPL will only get SIPP funding if the projects recommended above do not proceed. Therefore, water systems have the option to wait, or reapply during the next State fiscal year when SIPP funding becomes available again. Projects are placed in this section only after all the allocated funds have been applied for.

- Total Remaining Funds Avail - OHA and Business Oregon have closed the remaining SIPP funds for Quarter 4, SFY2021. Projects submitted for SIPP funding will resume at the beginning of SFY2022 (i.e., 07-01-21).

- Total project ranking points are placed in order of the quarter they're submitted. This ensures the top ranked projects per quarter are being recommended on a first-come, first-serve basis.

- Water systems that have received SIPP funds in each of the last two years are not eligible for funds in the current year. Exceptions may be made on a case by case basis if funding allows. Additionally, eligible SIPP projects may only receive one (1) SIPP award for any single planning effort.

- Water systems must complete project within 2 years.

- Seismic projects are not rated, but placed on the the PPL on a first-come, first-serve basis while funds last.
