

Orpheus Case ID:

Interview Date:

Interviewer:

Supplemental Lead Apple Puree Questionnaire

CDC is now asking all 50 states to provide weekly case reports associated with this product. In an effort to provide the best data to CDC, as well as obtain important data for our own public health investigation and follow-up purposes, we are asking you to gather as much information as possible about the consumption of these products during any lead investigations.

Did the person consume any recalled WanaBana, Schnucks, and Weis brand fruit purée products after Nov 2022? ☐ **yes** ☒ **no** ☐ **unknown**

Product Name Consumed:

Date of First Consumption:

Date of Last Consumption:

Store Name where Purchased:

City Purchased:

State Purchased:

Lot Number (if available):

Is the product available for testing? ☐ **yes** ☐ **no**

****If yes, please ask the family to hold the product. Inform OHA after the interview.*

Did the case visit a medical provider? ☐ **yes** ☐ **no**

If yes:

Where was the patient seen?

Do you know the name of the provider?

Was the case hospitalized? ☐ **yes** ☐ **no**

If hospitalized, what were the hospitalization dates:

*****After the interview, upload this questionnaire into the Orpheus record. Send a note to Ryan Barker at OHA that a new associated case has been identified. Email the CD team (including epidemiologists) that a new associated case has been identified.**
