- ☐ Course manual, agenda and other training materials for each course (*see Section G*)
- ☐ Copy of the course test and blueprint for each course (*if applicable; see Section G*)
- ☐ Description of hands-on activities and procedures for assessing hands-on skills, including the following elements:
- List of hands-on topics covered
 - Activities performed for each hands-on topic
 - Procedures for evaluating student proficiency for each skill
 - Hands-on skills assessment sheet
- ☐ Quality Control Plan that contains the following elements:
- Procedures for periodic revision of training materials and course test to reflect regulatory changes & innovations in the field
 - Procedures for the training manager's annual review of principal instructor competency
 - Description of record-keeping procedures, notification procedures, and digital photograph submission procedures
 - Student-to-instructor ratio for hands-on training
 - Maximum class size
- ☐ Course completion certificate requirements, identification number protocol, and sample certificate
- ☐ For non-English courses (*if applicable*):
- A signed Statement of Authenticity to verify that a qualified, independent translator has compared the course to the English language version and found the translation to be accurate
 - Documentation of translator's qualifications
- ☐ For online courses (*if applicable*): A link and access to the online training course
- ☐ Check or money order payable to Oregon Health Authority

I. REACCREDITATION APPLICANTS ONLY

For reaccreditation applications, include the following additional documents:

- ☐ List of all current instructors
- ☐ List of last 25 courses held for Renovator and/or Dust Sampling Technician training. Include date, number of students trained, instructor's name, location of training, and dates of pre- and post-training notifications submitted to OHA.

Describe any changes to training facilities, equipment or course materials since the training program's last application was approved. Attach additional pages as needed.

J. ADDITIONAL INFORMATION

Please add any additional information or comments that you feel are relevant and would like OHA to consider with your application. Attach additional pages as needed.

K. CERTIFICATION STATEMENT AND SIGNATURE

I certify that the lead-based paint training program described in this application, including any attachments, meets the requirements established in OAR 333-070 (and, by reference, 40 CFR 745.225). I hereby attest and affirm that the information included on this application, including any attachments, is true and correct to the best of my belief and knowledge. I acknowledge that any accreditation issued pursuant to this application, including any attachments, will be subject to revocation if issuance was based on incorrect or inadequate information that materially affected the decision to issue the accreditation. I also attest and affirm that I will maintain my accreditation(s) according to OAR 333-070 (and, by reference, 40 CFR 745.225) and conduct lead-based paint training only in those fields for which I have received accreditation. A false statement on this form may lead to prosecution or to imposition of applicable criminal and civil penalties and/or administrative remedies.

I understand that this application is subject to verification. I agree to provide any additional documentation as required. I understand that failure to provide full disclosure of any of the requested or required information may result in rejection of this application. I also understand that completion and submission of this application does not guarantee accreditation as a lead-based paint training provider by the Oregon Health Authority and that all fees are non-refundable.
