

Information for Out of State Dental Assistants

If you are currently a certified dental assistant in another state and you want to work in Oregon, you may qualify for **certification by credential**.

Step 1: Contact the Oregon Board of Dentistry:

Teresa Haynes
Licensing & Examination Manager
Phone: 971-673-3200
Email: Teresa.haynes@state.or.us

After you have contacted the [Oregon Board of Dentistry](#), and you do not meet the requirements for certification by credentials, proceed to **Step 2**.

Step 2: Please complete the following information and submit it to [Radiation Protection Services](#) (RPS) along with the documents listed below for review.

Name (first & last): _____

Email Address: _____

Mailing Address: _____

Name of Training Course: _____

Dates attended: _____

Include the following documents:

- Certificate of completion from the training course listed above
- The detailed radiation use & safety course syllabus from the course listed above

Fax: 971-673-0553

Mail: Radiation Protection Services

Attn: X-ray Program

800 NE Oregon Street, Suite 640

Portland, OR 97232

Step 3: RPS will review the information submitted. RPS will send you and the Dental Board a letter stating whether or not the Radiation Use & Safety portion of your training was adequate. This letter does not mean you are a certified dental assistant. You must complete all of the requirements from the Dental Board and have a State of Oregon issued Dental Assistant certificate.
