

Tracking Home Visiting Effectiveness in Oregon (THEO) Monthly Status Update

May 2019

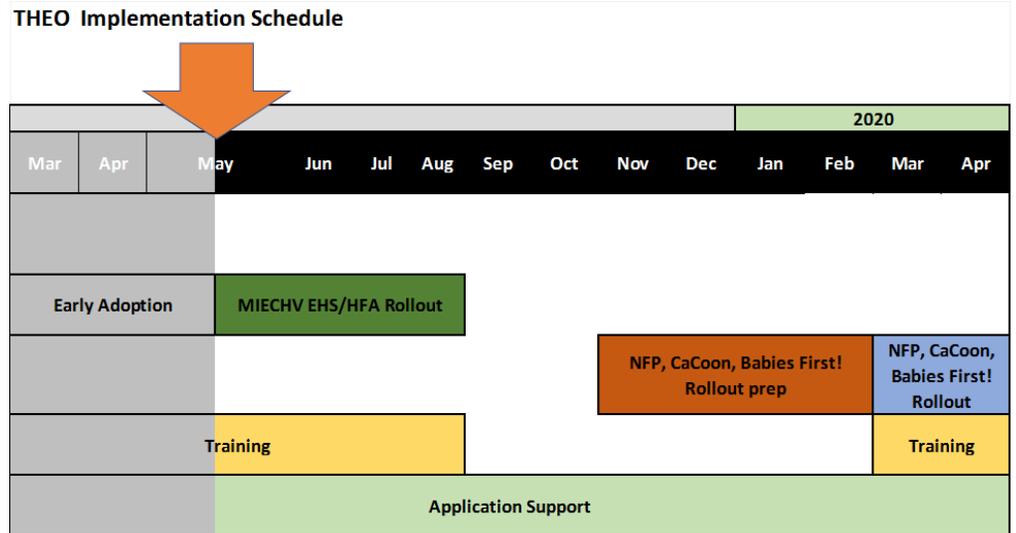

Tracking Home Visiting Effectiveness in Oregon (THEO) is a data system that collects home visiting data, provides case management features, and tells the story of home visiting services.

Project Status

MIECHV EHS/HFA rollout began April 29th

Project Schedule Updates:

- Early Adoption with Family Building Blocks (FBB) ended May 15th.
- NFP, CaCoon, Babies First Rollout has been moved out to early 2020.
- THEO enhancements: Interoperability planning- Please see **THEO House ELD and OHA Interoperability** document included with this update and FAQs for more information.

Webpage

The THEO webpage now includes training materials and resources for MIECHV-funded EHS/HFA home visiting agencies. We will continue to build out the webpage, add training videos, drop-in webinar links, and supplemental materials as we move forward.
