Status Update

Commercial Insurance Carrier Calls

- Our next Quarterly CIC call will be **Tuesday, September 15 at 1:05pm** via Microsoft Teams. We will provide FCO updates and discuss the upcoming Commercial Rate Committee (CRC).
- Calendar invites for the 2027 Quarterly Commercial Insurance Carrier Calls have gone out! Please reach out to oregon.uohv@odhsoha.oregon.gov if you have not received them.

Self-Funded Plans and Member Notification Letters

- **Self-funded plan updates** – Our team is reaching out to self-funded health insurance plan brokers, third-party administrators (TPAs), and business associations to promote FCO services inclusion in employee benefit packages. If you have any additional contacts you think can support the goal of self-insured plans reimbursing for FCO services, please share [here](#)!
- **Member Notification Letters re: FCO services** – Thank you for sharing your member notification letters that your organization sends to members regarding FCO services when an infant is added to an insurance plan. **If you have not yet shared yours, please do send to oregon.uohv@odhsoha.oregon.gov.**

Rural Health Transformation Program (RHTP) FCO Sites

Oregon was awarded Rural Health Transformation Program (RHTP) funds to improve and expand rural healthcare (see U.S. Centers for Medicare and Medicaid Services

[announcement](#)). The funding is in part dedicated to community-driven projects that focus on strong foundations for healthy families including expanding home visiting programs. Thus, funds are allocated to expanding FCO to 4 new counties and a change of provider in Lincoln County.

- 1) Tillamook
- 2) Wallowa
- 3) Clackamas
- 4) Harney
- 5) Linn to cover Lincoln

In partnership with OHA, the new sites started FCO planning on April 1, 2026. They will begin offering services by April 1, 2027. OHA will update commercial insurance carriers as launch dates are set.

FCO Site Updates

- **Harney County** is launching FCO services on October 1, 2026.
- **Malheur County** discontinued providing FCO services on June 30, 2026.
- **Deschutes County** discontinued providing FCO services on June 30, 2026.
- Beginning July 1, 2026, **Linn County** became the Newborn Nurse Home Visiting Provider for **Lincoln County FCO**. Carrier contracts will need to be updated to reflect this change in service provider.
- **South Coast Regional Early Learning Hub (SCREL)** has discontinued planning as the FCO Community Lead for Coos County at this time. OHA will update carriers when Coos County resumes FCO planning.
- **Multnomah County** launched FCO services on April 6, 2026.
