

Reproductive Health Program Application for Certification for Abortion Services

In order to be eligible for funding from the Reproductive Health (RH) Program for abortion services, an agency must complete this certification application and be in compliance with Oregon Administrative Rules (OARs) 333-004-2000 through 333-004-2190.

By submitting this certification application the agency agrees that it will submit all certification documentation and comply with any other certification review requirements, set out in Section A of the Certification Requirements for Abortion Services.

An agency and its clinic(s) must be open and operational prior to submitting a certification application.
