<p>Implicit Bias 101: Bringing Equity to Life</p>	<p>Kelli Houston, MBA (she/her/hers) <i>President</i> <i>Vision Consulting</i></p> <p>Kelli Houston, former Director of the Center for Diversity and Health Equity for Seattle Children’s Hospital, has spent her career in transforming private and public health systems in the area of diversity and health equity to ensure diverse populations live healthier lives and receive the care they need and deserve.</p> <p>Under her leadership at Seattle Children’s Hospital and Peace Health (Vancouver, WA), she was responsible for strategic planning and implementation of diversity and health equity policy and program development that target a set of high-impact priorities, among them; designing a 3-5 year patient-centered health system improving the quality of care for underrepresented patients particularly LGBT and people of color. Currently, Kelli serves as President of Vision Consulting that provides diversity, equity and Diversity Consultant and Trainer for hospitals and community organizations.</p> <p>Raised in Reno, Nevada, Kelli holds an MBA and certification in Women’s Studies from Cornell University. In her spare time, Kelli performed on stage as a standup comedian, auditioning for NBC’s Last Comic Standing. She is also a golf aficionado and enjoys spending quality time with friends and family.</p>
<p>Managing Change and Uncertainty from a Trauma Informed Lens</p>	<p>Mandy Davis, LCSW, PhD. (she/her/hers) <i>Director</i> <i>Trauma Informed Oregon</i></p> <p>Dr. Davis is the Director of Trauma Informed Oregon and Associate Professor of Practice at Portland State University’s School of Social Work. Dr. Davis specializes in providing training and consultation to systems, organizations and providers on topics related to implementing trauma informed care and trauma specific services. Dr. Davis has over 20 years of experience working with survivors of trauma and is currently focused on implementation strategies. Dr. Davis is especially interested in the intersections between Trauma Informed Care, structural violence, and equity and strategies that promote workforce wellness.</p>

Agenda Item	Speaker
<p>Empowering Expectant Parents: Pregnancy Options Counseling <i>(Session 1)</i></p>	<p>Ally Simone, M.S., MFT (she/her/hers) <i>Counselor</i> <i>Open Adoption & Family Services</i></p> <p>Ally has been a counselor for OA&FS for over three years and has worked in both the Eugene and Portland offices. She has been an advocate for reproductive rights and children for many years in non-profit social service settings and feels honored to work with an agency that so closely mirrors her values and ethics. Ally earned her Master in Couples and Family Services in 2016 and has a postgraduate certificate in Therapy with Adoptive and Foster Families.</p>
<p>Empowering Expectant Parents: Pregnancy Options Counseling <i>(Session 2)</i></p>	<p>Shari Levine, MA in Education (she/her/hers) <i>Executive Director</i> <i>Open Adoption & Family Services</i></p> <p>Shari Levine is the Executive Director of Open Adoption & Family Services, a non-profit, pro-choice agency. She's been with the agency for 27 years. Since 1985, they've provided all-options pregnancy counseling free of charge to hundreds of expectant parents every year. They have a reproductive justice model that empowers expectant parents to make the decisions that feel best to them in a compassionate and non-judgmental counseling environment.</p>
<p>Supporting Reproductive Health Access in Migrant Communities Provider Panel</p>	<p>Dawn Lehman, RN BSN (she/her/hers/ella) <i>Public Health Nurse Program Manager</i> <i>Marion County Health and Human Services</i></p> <p>I'm a gringa, but Latina at heart. For over 30 years I have worked with and advocated for the LatinX population, starting with 6 years of volunteer work in Bolivia. I did a few years of RN work with Yakima Valley Farmer Worker Clinics, before becoming an early childhood home visiting nurse at Marion County. I learned so much from the Hispanic women who opened up their homes to me. Later I became involved with Public Health Preventive Services which includes the RH Program and am currently the program manager.</p>

Agenda Item	Speaker
Supporting Reproductive Health Access in Migrant Communities Provider Panel	<p>Laura Contreras (she/her/hers) <i>Front Desk Team Lead, RHC</i> <i>Virginia Garcia Memorial Health Center</i></p> <p>Laura Contreras has worked at Virginia Garcia Memorial Health Center since 2006. She is a systems-level problem solver who has experience in multiple roles across the organization. Her roles include Clinic Manager, Front Office Supervisor, Clinical Pharmacy Technician, Referral Coordinator, Receptionist, and Medical Records Specialist. In addition to her RHP coordinator role, she has led workflow and revenue optimization efforts on behalf of the Oregon ScreenWise Program and has project managed VG's Registration and Revenue Cycle Committee. Finally, she is a Baker Bee Recipient, which is the highest honor that a VG staff member can receive for going above and beyond in making VG an excellent place for staff, patients and the community.</p>
	<p>Nik Portela (he/him/his) <i>Health Program Services Program Manager</i> <i>The Next Door</i></p> <p>Nik Portela comes from The Dalles in the beautiful Columbia River Gorge. He works at The Next Door, Inc. as the Nuestra Comunidad Sana Program Manager. The Community Health Workers he supervises are some of the most seasoned in the nation, and he is grateful for their wisdom every day. His passion for reproductive health and community outreach/education bring him to this work, but the people keep him here.</p>
	<p>Sellenne Mandujano (she/her/hers) <i>EHR Site Specialist</i> <i>Virginia Garcia Memorial Health Center</i></p> <p>Sellenne has worked in Healthcare since 2010. Her previous roles as a Billing Receptionist at Willamette Valley Medical Center and Customer Service Representative at the Durable Medical Shop have provided her insight into the various pieces of the healthcare delivery system. Following her passion to serve her community, Sellenne continued her healthcare career with Virginia Garcia in 2015, where she began as a Dental Receptionist and in 2017 transitioned to the Electronic Health Record team as an Epic Site Specialist. Her educational background in Computer Information Systems has brought a problem-solving attitude and innovative thought process to not only the Reproductive Health Program team but to Virginia Garcia as a whole.</p>
