- |                                   |                           |
|-----------------------------------|---------------------------|
| 1. Bristol-Myers Squibb Company   | 4. Ross Products Division |
| a. Mead Johnson Nutritional Group | a. Abbot Laboratories     |
| 2. Nestle USA                     | 5. PBM Nutritionals       |
| 3. Nutricia North America         | 6. Prolacta Bioscience    |

**Distributors:**

1. Any business issued a “Food Warehouse” license (#78) found on the Oregon Department of Agriculture Food Safety website is allowed.
  - a. <http://oda.state.or.us/dbs/licenses/search.lasso?&division=fsd>
  - b. Go to the link above– this is a search page for Food Safety licenses.
  - c. Fill out the appropriate information (Company name, city, county, if known) for your infant formula supplier/s.
  - d. Under ‘License Type’ be sure to select ‘**78 – Food Warehouse**’ from the menu by clicking on the drop-down arrow and scrolling to that selection.
  - e. Once you have all the pertinent information entered, click the “Search Food Safety Licenses” button. This will generate a list of the businesses with #78 licenses.
    - i. If you find your infant formula supplier(s) in this list – GREAT! You need not search any further.
    - ii. If you don’t find your infant formula supplier(s) on this list – contact us at 1-877-807-0889 and request the Formula Distributor List Request Form and submit for consideration.
2. Some of the common distributors with a “Food Warehouse” license #78 are:

a. Albertsons	b. Associated Food Stores
c. C & S Wholesale Grocers	d. Core-Mark
e. Fred Meyer/Kroger	f. Harbor Wholesale
g. McKesson Drug Company	h. Safeway
i. SuperValu	j. WalMart
k. WinCo Foods	l. URM
