FORMULA UPDATES- BID FORMULAS

- Unprecedented delay in bid formula contract process this year
- Effective Friday, August 24 local agencies can issue bid formula through January 2019
- Contract extension has been approved through January 2019

BID FORMULA: ACTION NEEDED

- Local agencies will be a list of infants who were not issued benefits in October and November
- Issue formula benefits
- Some decision making will be needed for some participants (appointment scheduling, needing medical documentation, missing proofs, etc.)
- Contact your Nutrition Consultant if your agency needs assistance in getting benefits issued
- Prepare your staff that more information, action will be coming regarding the bid formula announcement

FORMULA UPDATES- BID FORMULAS

- We won't know the bid award until September...(or October???)
- State programmers are working on programming that will map old bid formula to the potential new formulas in case there is a change

FORMULA UPDATES- ENFAMIL ENFACARE

- Mead Johnson is reformulating Enfamil EnfaCare to include Milk Fat Globule Membrane (MFGM)
 - Name change to Enfamil NeuroPro EnfaCare; available starting in October
 - Reconstitution, can size, and price will remain the same; new UPC

FORMULA UPDATES- ENFAMIL ENFACARE

- Starting October 1, both UPC's will be available in the sub cat for Enfamil EnfaCare so both types of formula will scan at the store when this formula is issued.
