

Oregon WIC and Inborn Errors of Metabolism

- ◆ Metabolic formulas are administered by the Metabolic clinic at the Child Development and Rehabilitation Center at OHSU (CDRC).
- ◆ If on a limited diet, the Metabolic dietitians at CDRC will provide guidance to WIC dietitians using an Oregon WIC Medical Documentation Form.
- ◆ WIC will continue to provide food benefits for foods that fit their metabolic profile and outlined on the Medical Documentation Form.
- ◆ WIC dietitians will continue to see families, provide feeding guidance prescribed by the Metabolic dietitian and refer families back to Metabolic clinic if concerns, questions arise.
