

MAP OF OREGON WIC VENDORS

WIC Vendor Testimony

Albertsons is honored to be one of the places that participates in helping the younger generation become healthier. We have noticed our customers use the WIC program to its full potential now that they can buy groceries with their WIC card. We have noticed that children of WIC participants are more apt to pick fruits and vegetables over a candy bar. WIC is helping mold healthy habits into children. We hope to continue our great partnership with the Oregon WIC program for generations to come!

Sincerely,

Your local Ontario, Albertsons

Each dot is a WIC vendor. There are currently 508 Oregon WIC grocers, farm stands and pharmacies.
