

## 2-8 Food Package training module – Chapter 1

---

Another of the 4 main services that WIC provides is nutritious supplemental foods. The WIC foods are probably the service that most people think of first, so it is helpful to know how the food packages are assigned and how they connect to good health.

### What you need to do

---

1. Work with your training supervisor to determine a time to complete Chapter 1 of the *Food Package* training module. There are 4 lessons in Chapter 1 of this training module. It takes about 2 hours to complete. You will complete the rest of this module in Lesson 6-2.  
Date and time \_\_\_\_\_
2. The [Food Package](#) training module is formatted as a pen and paper module. You can read it in electronic form from [our website](#) to take advantage of links, or you can print off a copy, or you can ask your training supervisor to order you a hard copy from [Shopify](#).
3. Complete the 4 lessons from Chapter 1 of the *Food Package* training module and learning activities.
4. Make note of any questions or concerns you have about information in the module.
5. Schedule a time to discuss what you learned with your training supervisor using the *Talk it over* section below.  
Date and time \_\_\_\_\_

## Talk it over

---

1. Review your notes and ask any questions you have about the course.
2. What is your role related to food package assignment?
3. What is the difference between what you can do with food package assignment and issuance compared to what a clerk can do?
4. How do you think the food package affects the WIC customer experience?
5. In your agency, where in the certification process does food package assignment happen? Where does food package issuance occur?
