

4-16 Toddler Behaviors online course

The *Toddler Behaviors* course focuses on the major developmental changes during toddlerhood and how caregiver thoughts and beliefs impact how they interact with their toddlers. You must complete this course before certifying children.

What you need to do

1. Work with your training supervisor to determine a time to complete the *Toddler Behaviors* online course. It takes about 1.5 hours to complete.
Date and time _____
2. Complete the *Toddler Behaviors* online course, learning activities and posttest.
3. Make note of any questions or concerns you have about information in the module.
4. Schedule a time to discuss what you learned with your training supervisor using the *Talk it over* section below.
Date and time _____

Talk it over

1. Review your notes and ask any questions you have about the course.
2. How will knowledge of toddler behaviors help you provide better services to WIC participants?
3. What is your role in supporting caregivers of toddlers?
4. What are the most common toddler behaviors seen in your area?
