

## 9-4 Certifier's Guide

---

Congratulations! You have made it to the end of the *Certifier's Guide*. All that is left is to take the final post-test covering the lessons, information and activities in the Certifier's Guide.

### What you need to do

---

1. Work with your training supervisor to determine a time to take the *Certifier's Guide* online post-test.  
Date and time \_\_\_\_\_
2. Schedule a time to share your post-test results and discuss any final questions with your training supervisor.
