RE: Federal Shutdown Update for Oregon WIC vendors

Dear WIC vendors and interested parties:

All Oregon WIC clinics are open for business as usual. WIC-authorized grocery stores, pharmacies, and farmers can and should continue to accept eWIC cards. At this time, we can confirm that Oregon WIC has funds to cover food benefits **through at least November 30, 2025.**

Should Oregon WIC run low on funding, we would temporarily disable eWIC so vendors would not be able to run any WIC transactions. Oregon WIC will ensure that WIC transactions completed before disabling eWIC will be reimbursed. Our WIC vendors would be notified in advance if this action becomes necessary. **In the meantime, it is critical to support Oregon families. All WIC vendors must continue to accept eWIC cards until further notice.**

We continue to monitor the situation and will send you more information as it becomes available. Thank you for helping us get this message out.
