Batch Date: The day that ScreenWise processes the previous month's claims.

PDR (Provider Data Report): used by Enrolling providers only to reconcile missing breast and cervical cancer screening results data. To prevent duplication of your work, enrolling providers need to submit your PDR one week prior to the next batch date. If you have questions about this report, please contact the ScreenWise Quality Assurance Coordinator Wendy Jacobs at wendy.m.jacobs@dhsosha.state.or.us or call 971-673-0319.

EOB (Explanation of Benefits): used by Enrolling and Ancillary providers to reconcile claim payments and claim denials. If you have questions on your EOB, please contact the ScreenWise Billing Specialist Emily Havel at emily.havel@dhsosha.state.or.us or call 971-673-1060.
