Batch Date: The date ScreenWise processes the previous month's claims.

Missing Data Report: used by Enrolling providers only to reconcile missing breast and cervical cancer screening results and patient outcomes. To prevent duplication of your work, enrolling providers need to submit their clinic's completed Missing Data Report by the end of each month. If you have questions about this report, please contact the ScreenWise Quality Assurance Coordinator Wendy Jacobs at wendy.m.jacobs@oha.oregon.gov or call 503-706-2081.

EOB (Explanation of Benefits): used by Enrolling and Ancillary providers to reconcile claim payments and denials. If you have questions about your EOB or have not received your payment by the end of the month, please contact the ScreenWise Billing Specialist Emily Havel at emily.havel@oha.oregon.gov or call 971-673-1060.

All provider payments should arrive by the end of each month.
