

## ScreenWise Program Update: June 2017

### **REMINDERS**

1. **Clinic Staffing Changes**- If you have had staffing changes or turnover where staff has interfaced with ScreenWise, please let us know so that we can update our contact database and provide training to new staff.
2. **Final Diagnosis and Next Steps**- Please include or alert the program of ScreenWise patients' final diagnosis and next steps either on the screening or abnormal follow-up forms. These are crucial pieces of information and are often omitted by clinics when sending information.
3. **Please Submit Complete Information**- When sending patient forms/information to ScreenWise, please assure that all questions and sections of the forms are **complete**. If forms or information are incomplete this we cannot enter the information, and it will delay payment until the clinic can complete the information.
4. **No Postal Submission**- Please do not send patient information or claims via mail. We prefer to receive information via our secure portal <https://secureemail.dhsoha.state.or.us/encrypt> or send secure email to [ScreenWise.Info@dhsoha.state.or.us](mailto:ScreenWise.Info@dhsoha.state.or.us), or secure fax at 971-673-0997.
5. **Breast and Cervical Cancer Treatment**- We have received some calls this month asking about coverage of cancer treatment services through ScreenWise. The ScreenWise program is only available for diagnostic and screening services; we cannot cover any costs or procedures associated with the treatment of Breast or Cervical cancer. If a patient has received a breast or cervical cancer diagnosis providers must assist them in finding treatment options. If patients are eligible, they can participate in the Breast and Cervical Cancer Treatment Program ([information HERE](#)).

---

### **CLAIMS AND BILLING UPDATE**

1. Providers and billers no longer enter information into our Ahlers database. If you are submitting claims to the ScreenWise program, please send them via secure email [ScreenWise.Info@dhsoha.state.or.us](mailto:ScreenWise.Info@dhsoha.state.or.us), the secure portal <https://secureemail.dhsoha.state.or.us/encrypt>, or our secure fax at 971-673-0997. If you have not submitted information to our program in the last 12 months, we will ask that you be retrained as our program has undergone significant changes.
2. **2017 Reimbursement Schedule** – Is now available on the [ScreenWise website](#), this reimbursement list is effective 5/1/2017 through 1/31/2018.

---

### **DID YOU KNOW?**

1. The ScreenWise program will be rolling out a completely new data and billing model in the summer of 2017. This model will streamline forms and data collection for providers and improve billing accuracy and speed. If you have questions about or are interested in learning more, please contact Katherine McGuiness [Katherine.h.mcguiness@dhsoha.state.or.us](mailto:Katherine.h.mcguiness@dhsoha.state.or.us) or Tessa Jaqua [tessa.r.jaqua@dhsoha.state.or.us](mailto:tessa.r.jaqua@dhsoha.state.or.us) for more information.
