**RULE SUMMARY**

The Oregon Health Authority, Public Health Division, Adolescent, Screenwise and Reproductive Health Section is proposing to permanently adopt, amend and repeal administrative rules in chapter 333, division 28 pertaining to the School-Based Health Center (SBHC) certification process and requirements. The proposed changes update the SBHC Standards for Certification to: (1) identify and address any areas in need of clarification; (2) revise sections to align with current best practice; and (3) continue to adapt the Standards for Certification to support operations and advance quality healthcare in a school setting.

The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing the negative economic impact of the rule on business.
