 - Required SBHC policies and procedures
 - Working alone policy, if applicable.
 - Lab policies
 - Documentation of blood borne pathogen training for each employee with occupational exposure
 - Documentation of privacy training for all SBHC workforce (physical, mental health, dental health)
 - ALERT IIS vaccine eligibility by age report
 - ALERT IIS vaccine eligibility by vaccine report

STEP 6: Prepare for Site Visit

- Review Standards for Certification*
- Review and fill out the Certification Verification Review Tool* for areas that will be assessed during the site visit
- Review and update, if needed, the Online SBHC Operational Profile **no less than two weeks prior to site visit**

STEP 7: Day of Site Visit Requirements

SPO will conduct the following activities:

- Review of documents, policies and procedures, and records
- Review of electronic medical record systems, review of electronic health records systems, and review of practice management systems
- Review of data reports from electronic systems or other patient registry and tracking systems
- Interviews with practice management, clinical and administrative staff. This includes interviews with school staff including office, administration, and school nurse, if available.
- On-site observation of practice staff with school-aged patients during the site visit may occur during client intake, clinic flow, sick visits, well visits, etc. Prearranged scheduling of well visits for the reviewer to observe is not required or requested, and
- On-site observation of patient environment and physical environment during business hours

Applicant participates by having Site Coordinator on site, inviting partners, and participating in exit interview

STEP 8: Site Visit Report

SPO will send written site visit report within two weeks of site visit

- Complete any indicated Action Items by listed deadlines

STEP 9: Congratulations – Your SBHC is CERTIFIED!

Required Training: At least one representative from an SBHC must attend an SBHC orientation, provided by SPO, within one year of the SPO's approval of the SBHC's certification application.

Brand new SBHCs certified on or after January 1 are not required to submit KPM or financial data for that fiscal year.
