Subject: Respiratory Therapist and Polysomnographic Technologist Licensing Board – Board Member Resources

Board Member Background

The Respiratory Therapy and Polysomnographic Technologist Licensing Board (Board) is made up of 7 members including 3 respiratory therapists, 2 polysomnographic Technologists, 1 medical director for respiratory therapy or polysomnography and 1 member of the public. Members are appointed by the Governor's Office of Executive Appointments based on qualifications set forth in Oregon Revised Statute (ORS)688.820, experience, and demographics, to ensure an accurate representation of the profession(s) and the state of Oregon.

Recruitment Process

The Health Licensing Office (HLO) utilizes licensing databases, interested parties contact lists, press releases and professional/community outreach to fill vacant council member positions. Applications are reviewed by the Governor's Office monthly and qualified candidates are notified of their appointment status.

Term Limits and Reappointment Process

Board members are appointed to a four-year term and have the option of serving two full terms. Individuals whose first term limit is less than half of a full term (less than 2 years) have the option of serving the abbreviated term, and an additional two full terms. Prior to the end of an individual's term, the member is provided instructions for reappointment if the member decides to serve again. If the reappointment process is not completed within 90 days of a member's first term ending, that member may be subject to replacement by the Governor's Office.

Board Member Training

Individuals who are appointed to an Oregon Board, Council or Commission are required to complete annual trainings which help to define a member's role and responsibilities while serving and to ensure that the values of the Oregon Health Authority and the state of Oregon are reflected when conducting board business. Training modules include:

[DAS – CHRO – Overview of Boards and Commissions](#) (required once per term)

[DAS – EIS – Information security Training: Foundations](#) (required annually)

[DAS – CHRO – Preventing Discrimination and Harassment](#) (required annually)

[OGEC – Overview of Oregon Ethics Law](#) (optional)
