**Temporary Respiratory Therapist Licensure – Limited License**

On March 8, 2020, Oregon Governor declared a state of emergency due to COVID-19 outbreak in Oregon. Out-of-state respiratory therapists obtained licenses in accordance with ORS 676.568(1)(o) and OAR 331-030-0025 to provide respiratory care in Oregon during the state of emergency. The temporary license described in this rule (Limited License) is needed for continuity in protecting the health, safety, and wellbeing of Oregon patients as Oregon transitions out of the state of emergency.

(1) To qualify for a Limited License the individual must have been authorized to practice in Oregon under ORS 676.568(1)(o) and OAR 331-030-0025 the day before the declared state of emergency related to COVID-19 ends and meet the application requirements under OAR 331-710-0027.

(2) A person holding a Limited License may provide respiratory care for 90-days immediately following the end of the declared state of emergency related to COVID-19.

(3) Notwithstanding any other rule or the date that the Office issues the Limited License, the Limited License becomes current and an active authorization on the day the declared state of emergency related to COVID-19 is no longer in effect. The Limited License becomes null and void 90-days after the end of the declared state of emergency related to COVID-19.

(4) A person holding a Limited License wanting to practice respiratory care in Oregon after the 90-day period in section (3) must apply for and meet the requirements listed in OAR 331-710-0020, OAR 331-710-0010 or meet an exception in ORS 688.805.

(5) A person holding a Limited License may perform respiratory care defined under ORS 688.800 and must follow all relevant laws and rules, including ORS 676.150, ORS 676.560 to 676.625, ORS 688.800 to 688.840, OAR Chapter 331, Division 001 to 030, OAR Chapter 331, Division 705 to 740.

(6) A person holding a Limited License may be subject to disciplinary action, civil penalties, and sanctions for violations of relevant laws and rules, including those listed in subsection (5).

**Statutory/Other Authority:** ORS 676.568(2), ORS 676.615(1) and (2) & 688.830(1)(a)-(b), and (2)(b)

**Application Requirements for a Temporary Respiratory Therapist - Limited License**

To qualify for a temporary respiratory therapist license described in OAR 331-710-0026 (Limited License) the applicant must submit:

- (1) A completed application on a form prescribed by the Office, which contains requirements listed in OAR 331-030-0000;
- (2) A copy of current photographic federal or state identification;
- (3) A copy of a permanent, active and unrestricted authorization to practice respiratory care from another state with no pending investigation or disciplinary action by a state board, or another state or federal agency;
- (4) Documentation demonstrating a current request to provide services by an Office-recognized hospital, public health organization, Emergency Medical Service agency, county, state or federal entity as the result of the declared state of emergency. This documentation may include but is not limited to letter or email from a hospital or county health department; and
- (5) Documentation demonstrating the applicant was authorized to practice in Oregon under ORS 676.568(1)(o) and OAR 331-030-0025 the day before the declared state of emergency related to COVID-19 ends.

licensure (see 331-710-0060) and temporary-IS licensure (see 331-710-0080), including verification by an approved supervisor pursuant to 331-710-0100, and certification of successful completion and satisfactory performance of such experience by a qualified medical director for polysomnography, all on forms provided by the Office;

(B) Submit satisfactory evidence of passing a Board-approved examination listed under OAR 331-712-0010(1) or (2) within two years before the date of application. Examination results must be submitted to the Office directly from the examination provider; examination results or other documentation provided directly by the applicant are not acceptable; and

(C) Submit satisfactory evidence of passing the Board-approved examination listed under OAR 331-712-0010(3) within two years before the date of application.

(c) Pathway Three - Reciprocity:

(A) Submit an affidavit of licensure, pursuant to OAR 331-030-0040, from every state where the applicant has been licensed as a polysomnographic technologist, including an affidavit of licensure demonstrating proof of a current polysomnographic technologist license from another state, obtained through qualifications substantially equivalent to Oregon's requirements. At least one of the applicant's out-of-state licenses must be active and all of the applicant's out-of-state licenses must not be subject to current or pending disciplinary action, and must be free from disciplinary history for three years before the date of application for Oregon polysomnographic licensure; and

(B) Submit satisfactory evidence of passing the Board-approved examination listed under OAR 331-712-0010(3) within two years before the date of application.

(d) Pathway Four - Endorsement: An applicant may qualify for licensure by endorsement if the applicant holds a qualifying professional credential in another field.

(A) Submit an affidavit of licensure pursuant to OAR 331-030-0040 demonstrating proof of a current license that is active with no current or pending disciplinary action, and no disciplinary history for the three years before the date of application for Oregon polysomnographic licensure, as a:

(i) Physician (doctor of medicine or doctor of osteopathy) licensed under ORS Chapter 677;

(ii) Respiratory therapist licensed under ORS Chapter 688 with the RPSGT credential from the BRPT; or

(iii) CRT or RRT who holds a Sleep Disorder Specialty credential through NBRC; and

(B) Submit satisfactory evidence of passing the Board-approved examination listed under OAR 331-712-0010(3) within two years before the date of application.

(e) Pathway Five - BRPT Credential: Pursuant to ORS 688.819, an applicant must submit documentation showing completion of a combined education and training program required and approved by the BRPT as of March 1, 2013;

(A) Prove successful passage of the RPSGT examination provided by the BRPT:

(i) After completing a combined education and training program required and approved by the BRPT as of March 1, 2013; or

(ii) Before the BRPT required an individual to complete a combined education and training program in order to take the examination, and has since met the education and training requirements established by the BRPT as of March 1, 2013;

#### **Supervision of a Temporary Polysomnographic Technologist**

- (1) To be approved as a supervisor of a polysomnographic temporary licensee, an individual must:
  - (a) Hold a valid polysomnographic technologist license under ORS Chapter 688 or provide proof of being a “qualified medical director for polysomnography” as defined in ORS 688.800(3);
  - (b) Have no current or pending disciplinary action imposed by the Office or other regulatory body;
  - (c) Submit proof of having been actively practicing polysomnography for at least three years prior to requesting approval as a supervisor; and
  - (d) Submit a completed request for approval on a form prescribed by the Office.
- (2) A polysomnography supervisor shall not supervise a temporary licensee until all Office required documentation has been completed and submitted to the Office and the supervisor has received Office approval.
- (3) A supervisor may supervise up to four patients per shift; whether they are the supervisor’s own patients or patients of temporary DS or IS licensees.
- (4) An approved supervisor of a Temporary-DS licensee must be immediately physically present with the Temporary-DS licensee while the Temporary-DS licensee is working, and must exercise direction and control over the Temporary-DS licensee’s work.
- (5) An approved supervisor of a Temporary-IS licensee must be physically present and onsite, but may not be immediately accessible at the sleep facility when the Temporary-IS licensee is working, and must oversee the work of the Temporary-IS licensee, and be available for questions and assistance when needed.
- (6) An approved supervisor must notify the Office in writing within 10 calendar days if a temporary polysomnographic technologist licensee is no longer being supervised, and must provide the number of hours of training and work experience completed on a form prescribed by the Office.
- (7) A designated supervisor must exercise management, guidance, and control over the activities of the temporary polysomnographic technologist and must exercise professional judgment and be responsible for all matters related to the polysomnography.
- (8) Approval of a temporary polysomnographic technologist’s training and work experience under OAR 331-710-0110 must be documented by the handwritten signature of the approved supervisor, the supervisor’s license number, and date of supervisor’s review, placed beside the temporary polysomnographic technologist’s signature, on a form prescribed by the Office.

LICENSING BOARD — STANDARDS OF PRACTICE**

**331-718-0000**

**Standards of Practice for Respiratory Care**

- (1) A licensee must comply with the prevailing community standards for professional conduct. The Board recognizes and adopts the American Association of Respiratory Care (AARC) Statement of Ethics and Professional Conduct effective April 2015 as its professional standards model. Documents are available on the AARC Website at <https://www.aarc.org/wp-content/uploads/2017/03/statement-of-ethics.pdf>.
- (2) At minimum, licensees are subject to directives and policies established by the medical facilities, businesses or agencies by which they are employed or regulated.
- (3) A licensee must comply with the following safety and infection control requirements:
  - (a) All devices or items that come into direct contact with a client must be cleaned, sanitized or disinfected according to the manufacturer's instructions or Centers for Disease Control and Prevention (CDC) Standard Precautions;
  - (b) All items that come in direct contact with the client's skin that do not require disinfecting must be clean;
  - (c) All items that come in direct contact with the client's skin that cannot be cleaned or disinfected must be disposed of in a covered waste receptacle immediately after use;
  - (d) All disinfecting solutions and agents must be kept at adequate strengths to maintain effectiveness, be free of foreign material and be available for immediate use at all times unless equipment is prepackaged and pre-sterilized;
  - (e) All high-level and low-level disinfecting agents must be approved by the United States Environmental Protection Agency. High-level disinfectant means a chemical agent which has demonstrated tuberculocidal activity. Low-level disinfectant means a chemical agent which has demonstrated bactericidal, germicidal, fungicidal and limited viricidal activity; and
  - (f) Before use, disposable prepackaged products and sterilized re-usable instruments must be stored in clean, sterilized containers that can be closed between treatments to maintain effective sterilization of the instrument until removed from the container.
- (4) A licensee must observe and follow the Standard Precautions adopted by the CDC as defined in OAR 437 Division 2, Subdivision Z, and the CDC Standard Precautions for public service workers regarding personal protection equipment and disposal of blood or bodily fluid contaminated articles, tools and equipment when providing services to patients.

**Continuing Education Requirements for Respiratory Care**

- (1) To maintain licensure, a respiratory care practitioner must complete a minimum of seven hours of continuing education every year. At least 2.5 hours of the required continuing education must be related to clinical practice of respiratory care defined under ORS 688.800.
- (2) A license holder must document compliance with the continuing education requirement through attestation on the license renewal application. A licensee is subject to provisions of OAR 331-720-0020 pertaining to periodic audit of continuing education.
- (3) The subject matter of the continuing education listed in subsection (1) of this rule must be specifically related to respiratory care as outlined in ORS 688.800(5).
- (4) Satisfactory continuing education must be obtained by participation in or attendance at a course provided by:
  - (a) An institution of higher education accredited by the Northwest Association of Accredited Schools, the Northwest Commission on Colleges and Universities, the State Board of Higher Education, Oregon Higher Education Coordinating Commission, American Medical Association Committee on Allied Health Education and Accreditation in collaboration with the Committee on Accreditation for Respiratory Care, or its successor, or the Commission on Accreditation for Allied Health Education Programs offering an Associate Degree in Respiratory Care; or
  - (b) The NBRC, AARC, Oregon Medical Association, the Oregon Osteopathic Association, the American Medical Association Continuing Medical Education, the American Osteopathic Association, the American Nurses Association, or other professional or medical organizations or associations which conduct educational meetings, workshops, symposiums, and seminars where continuing education credit is offered and where subject matter meets the requirements under subsection (3) or (6) of this rule.
- (5) Continuing education may include teaching a course sponsored by a continuing education provider listed in subsection (4) of this rule and where the subject matter meets the requirements under subsection (3) of this rule provided that no more than half the required hours be in teaching.
- (6) Notwithstanding any other continuing education requirements, in order to be eligible to renew a license, an authorization holder must obtain 1 hour of continuing education in cultural competency (CCCE) every other time the authorization is subject to renewal. The requirement of this paragraph is effective on and after July 1, 2021. The CCCE must be either:

- (7) The Board encourages completion of required CCCE from the approved list promulgated by the Oregon Health Authority, available on the Board's website. The Board shall also accept CCCE that is not obtained from the Oregon Health Authority's approved list, to the extent the Board determines the CCCE meets the skills requirements established by the Oregon Health Authority in rules that are effective at the time the CCCE is obtained.
- (8) Section (6) does not apply to authorization holders who are:
- (a) Retired and not practicing the profession in any state;
  - (b) Not practicing the profession in this state; or
  - (c) Residing in this state, but not practicing in the profession in any state.
- (9) Obtaining and maintaining proof of participation in required continuing education is the responsibility of the licensee. The licensee must ensure that adequate proof of attainment of required continuing education is available for audit or investigation or when otherwise requested by the agency. Adequate proof of participation is listed under OAR 331-720-0020(3).
- (10) Documentation of participation in continuing education requirements must be maintained for a period of two years following renewal and must be available to the agency upon request.
- (11) For the purpose of this rule continuing education hours mean actual academic, classroom, or course work time, including but not limited to workshops, symposiums, or seminars. Continuing education hours do not include travel time to or from the training site, registration or check-in periods, breaks or lunch periods.
