

January 24, 2025

Dear Public Health Colleagues,

The Oregon State Public Health Laboratory (OSPHL) is pleased to notify you that our laboratory can resume testing using the BioFire® FilmArray® platform effective immediately. OSPHL can now accept gastrointestinal and respiratory specimens for testing on this platform in alignment with the acceptance criteria posted on our Lab Test Menu at www.healthoregon.org/labtests.

Testing on the BioFire® FilmArray® platform was previously paused due to a problem with the testing instrument. Clients were notified in a [letter dated January 13, 2025](#).

Please share this notice with your colleagues who need to know about this change.

Sincerely,

Patrick Luedtke, MD, MPH
Medical Director, OSPHL
