**Q: I see that there is now a 2016 TNI Standard? ORELAP still states the 2009 Standard. Is this going to change soon?**

**A:** We anticipate the implementation of the 2016 TNI standards by March 2020 or sooner.

For accreditation process information, go to the ORELAP webpage. You can find the ORELAP program policy and procedure manual as well as some guidance on how to get accredited.
