

303 Client Data Form

BACKGROUND:

Senate Bill 303 (SB 303) was adopted by the Oregon Legislature in 2023 and is now codified in [ORS 475A.372](#) and [ORS 475A.374](#). SB 303 requires psilocybin service centers to collect and compile certain client information and report total numbers to Oregon Psilocybin Services (OPS) on a quarterly basis beginning in 2025.

CLIENT DATA COLLECTED:

This form uses a set of standard questions for race, ethnicity, language, disability, ([REALD](#)) and sexual orientation, gender identity and expression ([SOGI](#)). These questions were developed through a public engagement process led by the Oregon Health Authority (OHA) Equity and Inclusion Division after being codified into Oregon law.

Client data reflects the diversity of people receiving psilocybin services in Oregon and may support equity and inclusion for communities most affected by health inequities, injustices, and disparities. By sharing this data, clients contribute to a combined (aggregated) data set that may be used to assess the safety of psilocybin services and evaluate accessibility for different client populations.

DATA CONFIDENTIALITY AND USE:

Under ORS 475A.372 and ORS 475A.374, licensed service centers must collect this information from clients in a manner that protects personally identifiable information. The total numbers will be submitted through a secure system to OPS.

Once the total numbers are submitted by service centers, OPS will ensure the statewide data is de-identified before publishing on the OPS Data Dashboard. OPS prioritizes data privacy and data security and will follow data standards set by Oregon Health Authority.

CLIENT OPT-OUT OPTION

Clients may choose to not have their responses to the questions below submitted to OPS. If you do not want your responses included in the total numbers submitted to OPS, please check the box below:

I do **not** want my responses submitted to Oregon Psilocybin Services.

You can get this document in other languages or alternate formats free of charge. **To request accommodations, contact Oregon Psilocybin Services at OHA.psilocybin@oha.oregon.gov or 1-971-673-0322.** We accept all relay calls, or you can dial 711.
