Dear Psilocybin Training Programs,

All training programs must register with the Oregon Secretary of State and maintain an active registration in order for curriculum to be approved or reapproved by Oregon Psilocybin Services. Psilocybin training programs were sent a [Letter on November 18, 2025](#), describing this requirement, which became effective January 1, 2026.

The training program renewal application in TLC has been updated to meet this new requirement. On the Training Program Information page, you will now see a new field: "Oregon Secretary of State Registration Number." This is a required field for both original and renewal applications. On renewal applications, the field can be edited.
