

Greetings!

The Oregon Psilocybin Services Section within the Oregon Health Authority is conducting a survey to better understand who may be interested in accessing psilocybin services, service center licensure, facilitator licensure, manufacturer licensure, testing lab licensure, and/or training program approval. This survey is anonymous and will take about five to ten minutes to complete. The survey will close by 11:59 p.m. PST on February 6, 2022.

Will you please distribute this information and survey links via your distribution list?

The survey can be completed by following the links below:
