

Priorities and Subcommittee Recommendations

Strategic Plan Outline Goals and Objectives (for reference):

1. Access and Equity
 - a. Goal: Enhance access to psilocybin services across diverse
2. Affordability
 - a. Goal: Reduce financial barriers to accessing psilocybin services
3. Safety and Efficacy
 - a. Goal: Ensure the safety and effectiveness of psilocybin products and services
4. Training
 - a. Goal: Ensure a well-prepared workforce
5. Relationship Building
 - a. Goal: Ensure robust inter-jurisdictional relationships and communication to improve program safety and efficacy
6. Program Sustainability
 - a. Goal: Establish a sustainable infrastructure for psilocybin services

Priorities

1. Evaluate and determine potential changes needed to dosing requirements and group facilitator ratios
2. Access to those living with disabilities and/or with terminal illness
3. Tribal, veteran, and rural engagement
4. Refinement of training requirements including continuing education, and supervision
5. Affordability issues including but not limited to licensing fees, funding of OPS, and special programs
6. Service center sustainability
7. Coordination with other state psychedelic programs (e.g. Colorado and New Mexico)
8. Coordination and collaboration with agencies and programs within Oregon
9. Testing and product development
10. Prepare administrative rule recommendations and any legislative recommendations by May 1, 2026
