Re: Modification Request for Dental Pilot Project #300, "Dental Therapist Project: Dental Hygiene Model"

Dear Sarah,

The purpose of this letter is to kindly request modification for our Dental Pilot Project #300, "Dental Therapist Project: Dental Hygiene Model." This modification includes the requested change to add new practice sites. Specifically, we wish to include an additional 13 pilot sites managed by Willamette Dental Group.

Addition of new practice sites

The rationale for adding these sites is that 1) populations and volume of patients has changed at each site with COVID; 2) some sites have more infrastructure to better support the pilot and trainees; 3) additional sites will open opportunities to good, qualified candidates for Cohort 2 and Cohort 3; 4) additional sites will also open opportunities to more qualified Supervising Dentists. Please see below details on currently approved sites as well as the sites requested for approval.
