

Oregon Health Authority Oregon Opioid Taper Guidelines Task Force OVERVIEW

Task Force Membership

The Task Force consists of members with a range of experience and expertise related to opioid use, prescribing and tapering, including a cross section of stakeholders and partners from across Oregon. Membership brings together individuals with clinical expertise, health leadership and individuals with life experiences.

Commitment

- Monthly meetings from March 2019 –August 2019
- Review of materials pre and post meetings
- Representative organization's engagement and support
- Facilitate implementation or endorsement of the guidelines by representative organization

Meeting Information
