

2018-2019 Strategies for Policy And enviRonmental Change (SPArC) Tobacco-Free Recipients

SPArC grantees will mobilize, advocate and educate local decision makers and communities most impacted by the influence of tobacco to implement policy, systems and environmental tobacco prevention strategies designed to reduce the influence of tobacco in the retail environment and/or strengthen clean indoor air policies.

SPArC grantees will mobilize local community leaders and community members to participate in statewide tobacco retail and clean indoor air policy conversations and contributing to the statewide movement.

<u>Grantees</u>	<u>SPArC Community Policy Strategies</u>
Clackamas <i>Funded partner: Oregon Health Equity Alliance</i>	<ul style="list-style-type: none"> • Adopt and implement a countywide tobacco retail licensing ordinance. • Adopt additional tobacco retail policies, such as restrictions on proximity of tobacco outlets near places where children frequent
Clatsop	<ul style="list-style-type: none"> • Adopt a tobacco retail license for the county inclusive of all municipalities, including minimum price and location provisions. • Pass policy to remove exemptions to the Indoor Clean Air Act and strengthen clean indoor air policies, including protecting the public from cannabis smoke and vapors.
Crook <i>Funded partners: Deschutes County & Jefferson County</i>	<ul style="list-style-type: none"> • Adopt tobacco retail licensing policy in each county through special focus on developing capacity for community mobilization and advocacy. • Adopt additional tobacco retail policies, such as a restriction on flavored tobacco products. • Adopt policies to remove exemptions to the Indoor Clean Air Act, including protecting the public from cannabis smoke and vapors, through special focus on developing capacity for community mobilization and advocacy.
Hood River	<ul style="list-style-type: none"> • Adopt a tobacco, aerosol, vape, and smoke free ordinance for all businesses in the city of Hood River, and/or Cascade Locks, and/or the unincorporated areas of Hood River County.
Klamath	<ul style="list-style-type: none"> • Expand tobacco retail licensing in the four incorporated cities in the county that do not already have a tobacco retail licensure ordinance. • Amend the tobacco retail licensure ordinance to include a restriction on proximity of tobacco outlets near places where children frequent or require a minimum distance between tobacco retail outlets.

<p style="text-align: center;">Linn <i>Funded Partner: Linn Benton Health Equity Alliance</i></p>	<ul style="list-style-type: none"> • Adopt a tobacco retail license for the county inclusive of all municipalities. • Adopt additional tobacco retail policy: restriction on proximity of tobacco outlets near places were children frequent. • Adopt additional tobacco retail policy: limiting the distance between retailers to break up density to advance health equity by countering tobacco industry’s point of sale tactics disproportionately affecting underserved communities.
<p style="text-align: center;">Multnomah <i>Funded partner: Oregon Health Equity Alliance</i></p>	<ul style="list-style-type: none"> • Adopt additional tobacco retail policy: restriction on flavored tobacco products. • Adopt additional tobacco retail policy: restriction on proximity of tobacco outlets near places were children frequent.
<p style="text-align: center;">Umatilla</p>	<ul style="list-style-type: none"> • Adopt and implement a countywide tobacco retail licensing ordinance. • Adopt additional tobacco retail policy: restriction on proximity of tobacco outlets near places were children frequent.
