Understanding the Data
 Statewide rates include public, private and online schools; county rates include public, private and online schools from 2012-2014 and public and private schools only from 2015-2019
 School data are from the Immunization Primary Review Summary reports, collected annually in March by the Oregon Health Authority
 Census data source: www.census.gov, accessed March 2019
 Red values in the table indicate lower immunization and/or higher exemption rates compared to the state
