

Firefox—how to download your certificate

1. After clicking “Download Certificate”, click “Open with” or “Save File”, and click “OK”

2. Click the arrow in the top right toolbar

The screenshot shows a web browser window with the address bar containing the URL `ucationnorthwest.org/OHA/Vaccine/Final/Parent_52419/`. The browser's top right toolbar includes a download icon (a blue arrow pointing down) which is circled in red. The main content area features a dark blue notification box with white text. Below the notification box, there are two olive-green buttons labeled "MAIN MENU" and "EXIT".

Your certificate has been downloaded. If you are not able to locate it, see the [certificate download frequently asked questions](#).

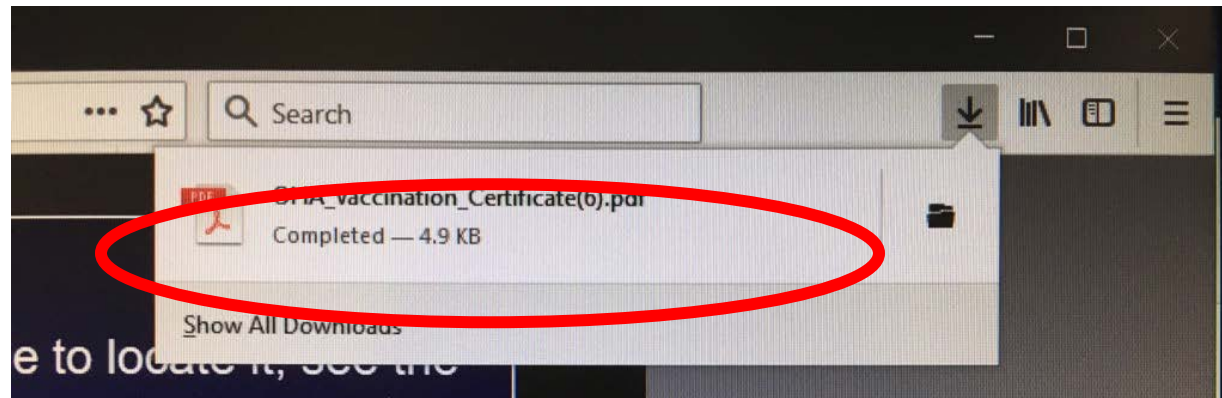

Thank you for viewing the vaccine education module. For more information, view these [additional resources](#).

We welcome your feedback; [please take our optional survey](#).

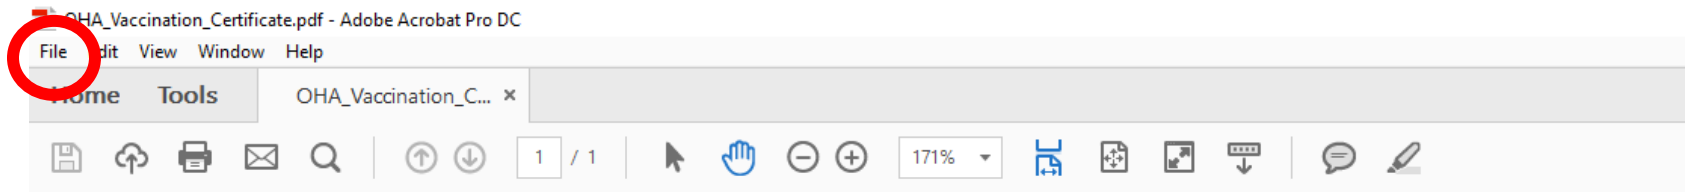

You can exit now or return to the main menu if you would like to view additional sections.

MAIN MENU EXIT

3. Click on your certificate.

4. The certificate will appear. Click “File”.

Vaccine Education Certificate

5. Click “Save As” or “Print”.
