Enrolling for COVID-19 Vaccine – Agreement Descriptions

The CDC has provided PDFs of the *CDC COVID-19 Vaccination Program Provider Agreement* that Oregon has translated into an online system for enrollment. There are three sections, two of which are required:

- **Section A. COVID-19 Vaccination Program Provider Requirements and Legal Agreement**
- **Section B. CDC COVID-19 Vaccination Program Provider Profile Information**
- **Section C (optional): CDC Supplemental COVID-19 Vaccine Redistribution Agreement**

Each section presents different agreement language, asks for different content and requires different signatures:

Every organization will need a signed Section A agreement; one of these signed agreements may cover many locations. Section B will be completed for each location associated with the organization in Section A that will administer vaccine.

The online registration system will automatically present the required agreements depending on the type of enrollment you are requesting:
