ADDITIONAL ELIGIBILITY GUIDANCE

- **Vaccines Required for School Attendance:** Any vaccines are available for uninsured high school students ages 19+ if the vaccine is required by Oregon law for school attendance. This includes vaccines not listed in the table above. Use the “O” vaccine eligibility code.
- **Vaccines for Hematopoietic Stem Cell Transplant Recipients:** Any vaccines required for transplant recipients are ok to use as 317-funded, as indicated in chapter 2 of the [Pink Book](#). This includes vaccines not listed in the table above. Use the “O” vaccine eligibility code.
- **Public Clinic/Agency Employees and Volunteers:** To qualify for 317-funded vaccine, public health clinic employees/volunteers must be without health insurance that covers vaccine costs **and** must be receiving a vaccine not required by OSHA (Employers must pay for OSHA required vaccines).
 - Workers/volunteers who meet those criteria and provide healthcare to clients routinely/daily are eligible for Hepatitis B, Varicella, MMR, and Tdap/Td.
 - Workers/volunteers who meet those criteria and work at a public clinic without patient contact are eligible only for Tdap/Td.
- **Vaccines for Leisure Travel:** Leisure travelers – including religious missionaries or civic volunteers – are not eligible for any 317-funded vaccines.
