For people who speak a language other than English or people with disabilities we can provide free help. Some examples are spoken language interpreters, sign language interpreters, CART captioning, braille, large print, transcripts, virtual platform change. If you need help with these services or other related services please contact Stella Rausch-Scott, 503-490-3717 (voice/text), stella.m.rausch-scott@dhsosha.state.or.us at least 48 business hours before the meeting. To best ensure our ability to provide an accommodation please contact us even if you are only considering attending the meeting. The earlier you make a request the more likely we can meet the need.
