

September 2018 CN Update

The Certificate of Need process is the state's only regulatory mechanism aimed at controlling the development of new health care facilities and services. The purpose of the law is to see that health services are adequately distributed around the state without unnecessary duplication of services or excessive costs to patients.

Letters of Intent

Encompass Health Rehabilitation Hospital of Oregon, LLC, Birmingham, Alabama, proposes to develop a new 50-bed freestanding inpatient rehabilitation hospital in Hillsboro. On August 30, 2018, this project was ruled to be subject to full review under Certificate of Need law. The earliest that an application can be submitted is October 1, 2018.
