RE: IHC Licensure Fee Change

Oregon Administrative Rule (OAR) revisions require new licensure fees, based on classification, for IHCs. Those fees are identified at [OAR 333-536-0010](#) and ORS 443.315. The revised IHCA application form, which reflects the new fees is available on the HFLC website.

Initial Licensure Fee	
Limited	\$2000.00
Basic	\$2250.00
Intermediate	\$2500.00
Comprehensive	\$3000.00
Yearly Subunit (any classification)	\$1250.00

Renewal Licensure Fee	
Limited	\$1000.00
Basic	\$1000.00
Intermediate	\$1250.00
Comprehensive	\$1500.00
Yearly Subunit (any classification)	\$1000.00
Ownership Change (any classification)	\$350.00
Subunit Ownership Change (any classification)	\$350.00

Change of classification surveys will now require the difference between the current classification and the classification requested. For example, a licensed Limited classification agency requesting to change to a Comprehensive classification would submit a fee of \$500.00 (1500.00-1000.00) with their classification change request and documentation.
