RE: IHC Licensure Fee Change

Oregon Administrative Rule (OAR) revisions require new licensure fees, based on classification, for IHCs. Those fees are identified at OAR 333-536-0031. The revised IHCA application form which reflects the new fees will be available on the HFLC website on 01/01/2018.

Any agency that has a license that expires on or after 01/01/2018 and all initials must be submit the new fee and revised application form.

Initial Licensure Fee	
Limited	\$2000.00
Basic	\$2250.00
Intermediate	\$2500.00
Comprehensive	\$3000.00
Subunit (any classification)	\$1250.00

Renewal Licensure Fee	
Limited	\$1000.00
Basic	\$1000.00
Intermediate	\$1250.00
Comprehensive	\$1500.00
Subunit (any classification)	\$1000.00

Change of classification surveys will now require the difference between the current classification and the classification requested. Example: A licensed Limited classification agency requesting to change to a Comprehensive classification would submit a fee of \$500.00 (1500.00-1000.00) with their classification change request and documentation.
