

## Memorandum

**To:** Non-Transplant Anatomical Research Recovery Organizations (NARRO)

**From:** NARRO Program

**Date:** 9/8/2026

**Subject:** NARRO Accreditation Organization Approval

---

Oregon Administrative Rule (OAR) 333-081-0015 allows the Oregon Health Authority (OHA) to accept proof of accreditation from the American Association of Tissue Banks (AATB) in lieu of conducting a relicensure survey.

If your organization has this accreditation and would like to utilize it for this purpose, you must send the following information to the NARRO Program:

1. Proof of your accreditation in writing (email/mail);
2. A copy of the current accreditation;
3. Updated copies of the accreditation upon renewal;
4. Notification of discontinued accreditation; and
5. Inspection reports received by AATB.

If you have any questions or would like this memo in an alternative format, please email the IHC survey team at [mailbox.inhomecare@odhsoha.oregon.gov](mailto:mailbox.inhomecare@odhsoha.oregon.gov).
